The image features a large, light beige circle in the center, which serves as a backdrop for the text and some of the illustrations. The entire background is covered with a pattern of small, light beige triangles pointing downwards. On the left side of the central circle, there is a cluster of four trees: two with green foliage and two with yellow foliage. On the right side, there is a single tree with orange foliage. Two small, white, fluffy clouds are positioned within the central circle, one near the top and one near the right edge. The word "AUGUST" is written in a bold, dark red, sans-serif font across the middle of the central circle.
