

The background is white with a pattern of small, light-brown triangles. A large, light-brown circle is centered on the page. Inside the circle, there are two small white clouds. On the left side of the circle, there are four trees: three green and one orange. On the right side, there are two trees: one green and one orange. The word "NOVEMBER" is written in a bold, dark red, sans-serif font across the center of the circle.

Ordinal Numbers

An ordinal number is a number that tells the position of something, such as 1st, 2nd, 3rd, 4th, 5th etc.

Most ordinal numbers end in "th" except for:

one → first (1st)
two → second (2nd)
three → third (3rd)

Who's the first person in line?
